A small drone icon is visible in the top right corner of the slide.

The First Modern Drone : DH.82B Queen Bee

The word "Drone"

A black and white photograph showing the DH.82B Queen Bee aircraft on a field. The aircraft is a biplane with a large, rounded fuselage and a high-wing configuration. It is being supported by a dolly. Several men in military uniforms and hats are standing around the aircraft, and a dog is visible in the foreground. The aircraft has the number '10311' on its side.

A small drone icon is visible in the top right corner of the slide.

The screenshot shows a presentation slide with the title "ideaForge's Forte - Man-Portable Micro & Small/Mini UAVs". The slide features a graph with a vertical axis labeled "Altitude" and a horizontal axis labeled "Distance/Range in km". The graph plots five different UAV models, each with a silhouette and a range of operation indicated by a shaded area on the ground. From left to right, the UAVs are: a small micro-UAV (range ~1-2 km), a slightly larger micro-UAV (range ~2-4 km), a small mini-UAV (range ~4-8 km), a medium mini-UAV (range ~8-15 km), and a large mini-UAV (range ~15-30 km). A small video feed of a woman is visible in the bottom-left corner of the slide.

This screenshot is a duplicate of the one above, showing the same presentation slide titled "ideaForge's Forte - Man-Portable Micro & Small/Mini UAVs". It displays the same graph of UAV types and their ranges. In this version, the video feed of the woman is positioned at the top center of the slide, and the Windows taskbar is visible at the bottom of the screen.

The image shows a presentation slide with two main sections. The top section is titled "Why IPR" and features two comic panels. The first panel shows two cartoon characters; the one on the left says "WITHOUT COPYRIGHT LAW..." and the one on the right replies "ART WOULD NOT EXIST!". The second panel shows the same characters; the one on the left says "WITHOUT PATENT LAW..." and the one on the right replies "INVENTIONS WOULD NOT EXIST!". The bottom section is titled "What is IPR" and contains a bulleted list of definitions and types of intellectual property. To the right of the list is a word cloud with "INTELLECTUAL PROPERTY" in large blue letters, surrounded by terms like "TRADEMARKS", "COPYRIGHT", "PROTECTION", "CREATION", "AUTHORSHIP", "IDEA", "PATENT", "DESIGNS", "COPYRIGHT", "PROTECTION", "COPYRIGHT", "PROTECTION", "COPYRIGHT", "PROTECTION". Below the word cloud are icons of a lightbulb and a brain, and a partial view of a person's head.

Why IPR

WITHOUT COPYRIGHT LAW... ART WOULD NOT EXIST!

WITHOUT PATENT LAW... INVENTIONS WOULD NOT EXIST!

What is IPR

- Intellectual: creation by creativity
- Property: thing belonging to someone
- Three types of Properties
 - Movable Property
 - Immovable Property
 - Intangible Property
- Right: provided by Law

Subject: Permission for academic visit 2017-18

Respected Sir,

I am writing this letter to seek your permission for the visit at your monastery campus on the 6/01/2018. I would like to share that we have planned this academic visit for our students in order to give them an insight about the monastery & traditions of India.

There would be a total of 31 students accompanied by a faculty members from our college. The visit is aimed at enhancing their historical knowledge and to get good spiritual experience. We intend to take a round of the permissible places in monastery and showcases historical life of India.

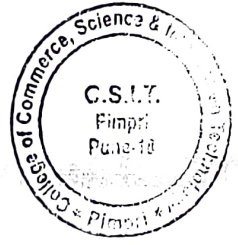

I hope you will allow us the opportunity to visit your monastery premises. I anticipate a positive response from your end.

Thanks and Regards,
