4	4. To make the students familiar with undertaking small research projects.

Detailed Report: (With Geo-tagged Photographs)

The workshop started at 10:00 a.m. with the Welcoming of Guests and participants with Saraswati Vandana. It was followed by Welcome address.

Principal, Dr. Shrikant Jagtap Sir highlighted the importance of uplifting the culture of research in the academic area and the importance of the research development process specially for the researchers and learn about the latest studies in their field and explore new areas of research, which will help him or she choose a research topic and learn about good laboratories and institutions.

The Resource person, Dr. Anjana. K, Asst. Prof. of Institute of Professional Studies (IPS) Pimpri enumerated and briefly discussed the Research process: Literature review - Concepts and theories, Research questions, Sampling, data collection, its analysis & ethical principles to be followed in research. Further she guided about types of Variables, types of data & the steps to develop a good research proposal and the related key components in detail. She also listed good books and stressed on the importance of On-the-Job training, the importance of carrying out Ethical research. She also emphasized on addressing issues, mapping them in one's own service/product and then being able to practically apply that research in one's own domain. The event concluded with a Vote of thanks which was proposed by a student Sritha Jasti.
