Report on "Walk for Soil" Event

In collaboration with the "Isha Foundation", ASM Group of Institutes organized a significant event named "Walk for Soil" on Soil Day, December 5th, 2022. This event aimed to promote environmental consciousness, particularly concerning soil health, among the students of ASM Group.

On Soil Day, all students of ASM Group participated in the "Walk for Soil" rally. The rally commenced from the campuses and proceeded through designated routes in the vicinity. Participants carried placards and banners with slogans advocating for soil preservation and environmental sustainability. The rally served as a visible demonstration of ASM Group's commitment to soil health and garnered attention from the broader community.

These sessions provided students with deeper insights into the importance of soil conservation, the challenges posed by soil degradation, and practical steps to mitigate soil erosion and promote soil fertility.

The "Walk for Soil" event organized by ASM Group of Institutes in collaboration with the Save Soil organization was a significant milestone in promoting environmental consciousness, particularly regarding soil health, among students.

Report On Tree Plantation

Date:- 01/08/2022

Venue:- CRPF Talegaon, Pune

No. of Volunteers: 20 to 25

Detail Report:-

In the spirit of environmental conservation and sustainable practices, ASM Group of Institutions, in collaboration with 24 Battalion CRPF Pune, organized a tree plantation drive at Chaurai Hill, Talegaon Pune. The event aimed to highlight the vital role that trees play in sustaining life, fostering growth, promoting peace, and preserving nature. Trees contribute significantly to ecological balance by producing oxygen, purifying soil, preventing drought, controlling floods, averting disasters, and curbing soil erosion. Moreover, they have positive effects on physiological, mental, and spiritual well-being while reducing carbon footprints.

Commandant Shri Parasthnath Saheb inaugurated the plantation drive by planting the first sapling, setting an example for others to follow. Dr. Sudhakar Bokephode, Dr. D.D. Balsaraf, Dr. Lalit Kanore (Dean, ASM's IPS), and Asst. Prof. Sarita Goyal (Principal, ASM's CSIT), along with other faculty members, joined in planting various types of tree saplings such as peepal, cinnamon, neem, and eucalyptus in the designated area. Students and CRPF jawans enthusiastically participated in the initiative, contributing to the greening of the surroundings.

During the event, the dignitaries emphasized the importance of trees in regulating temperature and absorbing carbon dioxide from the air. They highlighted how trees enhance the greenery of the environment and serve as habitats for numerous birds and animals. Encouraging students to take an active role in environmental conservation, the speakers suggested that each student should commit to planting at least one tree annually to contribute to the global effort against climate change.

Inspired by the drive, students pledged to continue planting trees regularly and to take responsibility for nurturing the saplings they planted. The collective commitment demonstrated the awareness and dedication of ASM Group of Institutions and 24 Battalion CRPF Pune toward fostering a sustainable and environmentally conscious community.
