March 13, 2023

**Sub : DELNET Best Practices for Data Sharing and Accessibility among Member-Libraries
— Request to Contribute Library Records for DELNET Discovery Portal**

Dear Ms. More,

I take pleasure in informing you that DELNET has recently launched an initiative "DELNET Best Practices for Data Sharing and Accessibility" among the member-libraries. It will significantly contribute in enhancing information sharing and accessibility of library resources among the users of the member-institutions and would further promote the contributions of libraries for making a Digital India. Data Sharing is one of the most important ways to promote equitable access to information by the students, faculty, researchers and scholarly community. It also leads to an extensive and optimum use of library resources for the benefit of users for their academic, research and reference purposes.

We are very much thankful and appreciative of ASM's College of Commerce, Science and Information Technology, Pune, Maharashtra being one of our esteemed member institution. We would like to request you to kindly contribute the bibliographic records of books, journals, articles, etc. created in your library conforming to the conditions and guidelines of DELNET MOU. Please send us the exported records in excel or MARC format.

I would like to reiterate the fact that by sharing your library records with DELNET, your institutional library will derive the following benefits:-

1. Your Library resources will become accessible to users and researchers worldwide among the member-libraries of DELNET. Your institutional library will get more visibility and recognition and it will empower your library.
2. Your own users can access your library records through the Web apart from accessing more than 3.5 crore records of other member-libraries. This is beneficial as it enables the users to browse through their own library resources present in DELNET Discovery Portal as the data of each library is assigned a specific location code.
3. A backup copy of contributed records of your library becomes available with DELNET. In case of any crisis like software failure, at your end the backup copy of records can always be taken by your Institution from DELNET.
4. DELNET will be glad to provide "Certificate of Appreciation" for promoting "DELNET Best Practices - Data Sharing and Accessibility" to Member-Libraries for their contributions from time to time. Also Annual Awards will be given to the Best Data Contributing Member-Libraries for their active participation in knowledge sharing activities.
5. The accreditation bodies like NAAC also recommends the Institutions to adopt Best Practices in their Institutions. By participating in this initiative, the libraries will help their Institutions in achieving the desired outcomes in teaching, learning, research activities, etc. by providing access to vast information resources. It will immensely contribute in fulfilling the needs and requirements of the Users' Community.
6. We would like to mention that DELNET provides DELPLUS Software for library automation free of charge with membership. The software has modules including Cataloguing, Circulation, OPAC, Acquisition, Report Generation, etc. The barcoding can also be done in the software. The software is installed remotely by DELNET. Please let us know if you desire to use the software.

Please send us your library records (in excel or MARC format) to sangskaul2003@yahoo.co.in. Please mark a Cc to sksinha@delnet.in and khushal@delnet.in. For any technical assistance for data sharing, please contact Mr. Sanjeev Kumar Sinha, Associate Technical Services, Mob: 9810533743 and Mr. Khushal Giri Goswami, Network Assistant, Mob: 9717734478.

I shall be most grateful to you for your kind cooperation.

With kind regards,

Yours sincerely,

Sangeeta Kaul
