Social Activities 2022-2023

Date : 18th Feb 2023

Place of Visit: Ghoradeshwar

Detail Report:

ASM's CSIT students have participated in the Social Event at Shiva temple and caves located at the Ghoradeshwar Hill in Talegaon Dabhade, around 25 km from Pune. The Social activities started in the morning at around 9 am. 35 students and 4 faculties of CSIT family took part in the social activities.

On the Occasion of Maha Shivaratri 2023, Chairman ASM's Group Dr. Sandeep Pachpande, Master Aditya Pachpande & Dr. D. D. Balsaraf Member of the Task Force Committee ASM Group took part in the Pooja and Abhishekam.

Both students and faculty actively volunteered during the event. They assisted the temple team in various tasks such as food serving, helping devotees, and organizing different aspects of the event. The event provided an invaluable opportunity for students to develop their social skills. By actively engaging in volunteer work and interacting with the community, students were able to enhance their communication, teamwork, and leadership abilities.

The social event at the Shiva temple and caves was a resounding success, thanks to the enthusiastic participation of ASM's CSIT students and faculty. Not only did the event contribute to community welfare and spiritual enrichment, but it also served as a platform for the development of important social skills among the students. Such initiatives underscore ASM's commitment to holistic education and community service.

Report On Tree Plantation

Date:- 01/08/2022

Venue:- CRPF Talegaon, Pune

No. of Volunteers: 20 to 25

Detail Report:-

In the spirit of environmental conservation and sustainable practices, ASM Group of Institutions, in collaboration with 24 Battalion CRPF Pune, organized a tree plantation drive at Chaurai Hill, Talegaon Pune. The event aimed to highlight the vital role that trees play in sustaining life, fostering growth, promoting peace, and preserving nature. Trees contribute significantly to ecological balance by producing oxygen, purifying soil, preventing drought, controlling floods, averting disasters, and curbing soil erosion. Moreover, they have positive effects on physiological, mental, and spiritual well-being while reducing carbon footprints.

Commandant Shri Parasthnath Saheb inaugurated the plantation drive by planting the first sapling, setting an example for others to follow. Dr. Sudhakar Bokephode, Dr. D.D. Balsaraf, Dr. Lalit Kanore (Dean, ASM's IPS), and Asst. Prof. Sarita Goyal (Principal, ASM's CSIT), along with other faculty members, joined in planting various types of tree saplings such as peepal, cinnamon, neem, and eucalyptus in the designated area. Students and CRPF jawans enthusiastically participated in the initiative, contributing to the greening of the surroundings.

During the event, the dignitaries emphasized the importance of trees in regulating temperature and absorbing carbon dioxide from the air. They highlighted how trees enhance the greenery of the environment and serve as habitats for numerous birds and animals. Encouraging students to take an active role in environmental conservation, the speakers suggested that each student should commit to planting at least one tree annually to contribute to the global effort against climate change.

Inspired by the drive, students pledged to continue planting trees regularly and to take responsibility for nurturing the saplings they planted. The collective commitment demonstrated the awareness and dedication of ASM Group of Institutions and 24 Battalion CRPF Pune toward fostering a sustainable and environmentally conscious community.

Report on Tree plantation

Date:- 05/09/2022

Venue:- ASM's CSIT Campus,Pimpri

No. of Volunteers :- 20 to 25

Detail Report:-

A Tree plantation Programmed was organized by ASM's CSIT to give awareness of commendable tree plantation initiative as part of their commitment to environmental sustainability and community engagement. The project aimed not only to contribute to the ecological well-being of the area but also to raise awareness about the importance of preserving our natural resources.

On the designated day, the students gathered at the ASM's CSIT Campus with enthusiasm and a strong sense of purpose. The event commenced with a brief inauguration ceremony, where faculty members as Asst. Prof. Laxmi Kose, Ma'am, Monika Jogdand Ma'am and local dignitaries as Dr. D.

D. Balsaraf Sir, Dr. Bokephode Sir and Dr. Shrikant Jagtap Sir were invited to address the participants and share insights on the significance of tree plantation.

The students then actively engaged in the planting process, working in groups to ensure the efficient distribution of saplings and proper planting techniques. The team also organized informative sessions on tree care, emphasizing the importance of nurturing the planted saplings to ensure their healthy growth.

Report On Tree Plantation

Date:- 01/08/2022

Venue:- CRPF Talegaon, Pune

No. of Volunteers: 20 to 25

Detail Report:-

In the spirit of environmental conservation and sustainable practices, ASM Group of Institutions, in collaboration with 24 Battalion CRPF Pune, organized a tree plantation drive at Chaurai Hill, Talegaon Pune. The event aimed to highlight the vital role that trees play in sustaining life, fostering growth, promoting peace, and preserving nature. Trees contribute significantly to ecological balance by producing oxygen, purifying soil, preventing drought, controlling floods, averting disasters, and curbing soil erosion. Moreover, they have positive effects on physiological, mental, and spiritual well-being while reducing carbon footprints.

Commandant Shri Parasthnath Saheb inaugurated the plantation drive by planting the first sapling, setting an example for others to follow. Dr. Sudhakar Bokephode, Dr. D.D. Balsaraf, Dr. Lalit Kanore (Dean, ASM's IPS), and Asst. Prof. Sarita Goyal (Principal, ASM's CSIT), along with other faculty members, joined in planting various types of tree saplings such as peepal, cinnamon, neem, and eucalyptus in the designated area. Students and CRPF jawans enthusiastically participated in the initiative, contributing to the greening of the surroundings.

During the event, the dignitaries emphasized the importance of trees in regulating temperature and absorbing carbon dioxide from the air. They highlighted how trees enhance the greenery of the environment and serve as habitats for numerous birds and animals. Encouraging students to take an active role in environmental conservation, the speakers suggested that each student should commit to planting at least one tree annually to contribute to the global effort against climate change.

Inspired by the drive, students pledged to continue planting trees regularly and to take responsibility for nurturing the saplings they planted. The collective commitment demonstrated the awareness and dedication of ASM Group of Institutions and 24 Battalion CRPF Pune toward fostering a sustainable and environmentally conscious community.

Report on Tree plantation

Date:- 05/09/2022

Venue:- ASM's CSIT Campus,Pimpri

No. of Volunteers :- 20 to 25

Detail Report:-

A Tree plantation Programmed was organized by ASM's CSIT to give awareness of commendable tree plantation initiative as part of their commitment to environmental sustainability and community engagement. The project aimed not only to contribute to the ecological well-being of the area but also to raise awareness about the importance of preserving our natural resources.

On the designated day, the students gathered at the ASM's CSIT Campus with enthusiasm and a strong sense of purpose. The event commenced with a brief inauguration ceremony, where faculty members as Asst. Prof. Laxmi Kose, Ma'am, Monika Jogdand Ma'am and local dignitaries as Dr. D.

D. Balsaraf Sir, Dr. Bokephode Sir and Dr. Shrikant Jagtap Sir were invited to address the participants and share insights on the significance of tree plantation.

The students then actively engaged in the planting process, working in groups to ensure the efficient distribution of saplings and proper planting techniques. The team also organized informative sessions on tree care, emphasizing the importance of nurturing the planted saplings to ensure their healthy growth.
