This program was organized jointly by ASM Group of Institution and Eclerx Company, in this training,

ASM CSIT also participate in this program, the objectives of this training are as followes.

1. **To enlarge Knowledge**

Training is provided especially for middle and lower level of employees. Training provides all information relating to various aspects of the organization; hence, they can develop required skill and ability to perform the assigned task successfully. It increases the level of knowledge possessed by individuals.

2. **To enlarge skillfulness**

Training provides the opportunity for employees to impart new skills systematically so that they can perform the task successfully. The ever-changing environmental forces require new and innovative skills and ideas to perform the task. Training helps employees to get acquainted with new skills and knowledge.

3. **To modify the approach of Students**

Another objective of training is to bring about change in the attitude of the Students towards co-Students, supervisors and the organization. Furthermore, training helps to develop healthy attitudes in them so that the good working relationship can be developed in the organization.

4. **To develop executive Performance**

Training imparts new skills, knowledge, and attitudes in employees so that they can perform organizational activities better than before. By such training, they can do the job more effectively and efficiently, thereby improving the overall performance of the organization.

5. **To Make Students for proficient use of assets**

When employees are trained, they get additional skills, knowledge, and techniques of handling resources. This helps them to utilize machines, tools, equipments and other organizational resources efficiently and effectively.

6. **To decrease accidents**

Employees can be provided with safety training measures to reduce sudden accidents. When the Students are known with the technique of handling new and sophisticated technologies, the chances of occurring accidents will be minimized.

7. **To offer enhanced prospect for Students**

Training is a learning process, which provides various opportunities to employees to develop the existing level of skills, knowledge, attitudes and behavioral relations. The improvement in job performance provides an opportunity for growth and advancement. Due to such training, employees get an opportunity for doing challenging work, work experience, and promotion.

8. **To enlarge efficiency and earnings**

Productivity measures an efficient relationship between input and output. The training aims to increase organizational productivity by increasing output with the limited input. Training increases the efficiency and effectiveness of employees which reduce the absenteeism, labor turnover, operating cost and wastage. This ultimately leads to high productivity thereby earning more profit.

This training session focuses on the expectations of industry from the student to develop.

This training session added new foundation support to fulfill the objectives of our New Educational Policy 2020.

Dear ASM Group of Institutes Team,

I trust this email finds you well. We would like to extend our heartfelt appreciation for your active participation in the "Train the Trainer" program that took place on 26th & 27th July 2023 at our Pune office, as part of our ongoing commitment to fostering knowledge exchange and industry-academia collaboration.

Your engagement and contributions throughout the two days were truly commendable. We hope that the training sessions provided you with valuable insights into the intricacies of Financial Markets, Investment Banking Trade Life Cycle, and the numerous opportunities that await within eClerx.

The program aimed to bridge the gap between academia and industry, and we firmly believe that your presence enriched the discussions and interactions. The insightful presentations and discussions delivered by our Business and HR leaders provided an in-depth understanding of the subject matter and the real-world application of concepts.

Key Highlights of the Program:

- Comprehensive coverage of Financial Markets and Investment Banking Trade Life Cycle.
- In-depth exploration of the opportunities available within eClerx for both educators and future professionals.
- Engaging discussions and interactive sessions that facilitated knowledge sharing and collaboration.

Your commitment to continuous learning and your dedication to equipping your students with the latest industry insights are truly inspiring. We are confident that the knowledge gained during the "Train the Trainer" program will be instrumental in enhancing the quality of education you provide to your students.

We encourage you to stay connected with us to remain updated on our future initiatives, programs, and collaborative opportunities. We value your feedback and suggestions, and we invite you to share your thoughts on the training program to help us improve our offerings.

We have included several event photographs for your reference. Feel free to share these across your social media platform like [LinkedIn](#), [Instagram](#) etc., and ensure to tag us to amplify the visibility of this event.

Once again, thank you for your participation and contribution to making this program a success. We are excited about the potential impact of this collaboration on both academia and industry, and we look forward to future opportunities to engage with you.

Stay connected with us on social media to get an insider's view of life at eClerx and latest updates on the event. Join the conversation **#eClerx #eClerxcareers #eClerxOpportunities**
