Report on "Walk for Soil" Event

In collaboration with the "Isha Foundation", ASM Group of Institutes organized a significant event named "Walk for Soil" on Soil Day, December 5th, 2022. This event aimed to promote environmental consciousness, particularly concerning soil health, among the students of ASM Group.

On Soil Day, all students of ASM Group participated in the "Walk for Soil" rally. The rally commenced from the campuses and proceeded through designated routes in the vicinity. Participants carried placards and banners with slogans advocating for soil preservation and environmental sustainability. The rally served as a visible demonstration of ASM Group's commitment to soil health and garnered attention from the broader community.

These sessions provided students with deeper insights into the importance of soil conservation, the challenges posed by soil degradation, and practical steps to mitigate soil erosion and promote soil fertility.

The "Walk for Soil" event organized by ASM Group of Institutes in collaboration with the Save Soil organization was a significant milestone in promoting environmental consciousness, particularly regarding soil health, among students.
