## Report of “Industrial Visit”

<b>Date</b>	<b>: 23/08/2025</b>
<b>Time</b>	<b>: 10:00 AM to 2.00 PM</b>
<b>Venue</b>	<b>: MITCON Consultancy &amp; Engineering Services Ltd., Pune</b>
<b>Participants</b>	<b>: SY &amp; TY BBA / BBA(IB) Students</b>
<b>Coordinator</b>	<b>: ASM CSIT (Department of Management)</b>

### Introduction:

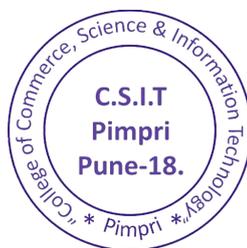

The Department of Management, ASM CSIT, organized an industrial visit to **MITCON Consultancy & Engineering Services Ltd., Pune**. The visit aimed to expose students to the latest trends in logistics, artificial intelligence, renewable energy, and smart technologies. This initiative was designed to bridge the gap between theoretical learning and practical industry knowledge. The program provided students with first-hand exposure to real-world industrial practices and innovative solutions. It also created a platform for interactive learning through expert guidance and live demonstrations. Overall, the visit contributed significantly to enhancing the professional outlook and practical awareness of the participants.

### Objectives:

- 1 To provide an overview of the logistics sector and its significance in business operations.
- 2 To understand AI-driven analytical operations and their real-world applications.
- 3 To gain insights into AI-integrated GIS (Geographic Information System)
- 4 To explore renewable energy solutions through EV, Solar, and Bio Plant visits.
- 5 To enhance students' industry readiness by acquainting them with innovative practices and sustainable technologies.

### Detailed Report:

The Department of Management, ASM CSIT college, has organized an industrial visit to MITCON Consultancy & Engineering Services Ltd., Pune under the banner of Youth Empowerment Mission 2025. The visit aimed to expose students to the latest trends in logistics, artificial intelligence, renewable energy, and smart technologies. This initiative was designed to bridge the gap between theoretical learning and practical industry knowledge. A total of 45 students from BBA and BBA

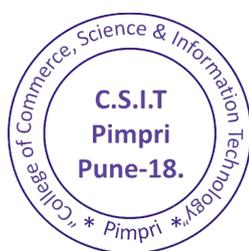

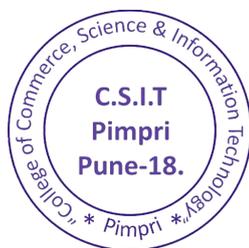

(IB), along with 5 faculty members, participated in the visit. Principal Dr. Lalit Kanore also accompanied and encouraged the students. The group reached the venue around 10:00 AM and was warmly welcomed by the MITCON team. On arrival, refreshments were served to the students and faculty members, giving them a pleasant start to the visit. The visit began with a 3-hour seminar conducted by industry experts from MITCON. Different experts addressed the students on various topics, including:

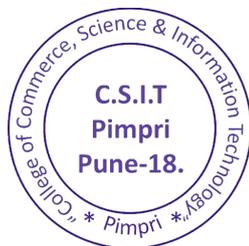

- **Overview of the Logistics Sector** – highlighting current practices and future opportunities.
- **AI-Driven Analytical Operations** – practical insights into how AI is transforming industries.
- **Integration of GIS & Remote Sensing with AI** – showcasing the application of advanced data tools.
- **Renewable Energy Projects** – insights into EV, Solar, and Bio Plant initiatives for sustainable development.

The seminar also included a Question & Answer Session, where students interacted with the experts and clarified their queries. After the seminar, students were taken for a guided visit to various facilities within MITCON, including logistics sections, renewable energy setups, and analytical labs. This gave them a first-hand experience of real-time industrial operations. At the conclusion of the program, certificates of participation were awarded to all students in recognition of their involvement in the Industrial visit.

The Industrial visit to MITCON Consultancy & Engineering Services Ltd. was a highly enriching experience for the students of ASM CSIT. With expert-led seminars, an engaging Q&A session, on-site industrial exposure, and meaningful interactions, the visit offered both knowledge and inspiration. The initiative successfully enhanced students' professional outlook while motivating them to explore innovative and sustainable career opportunities.

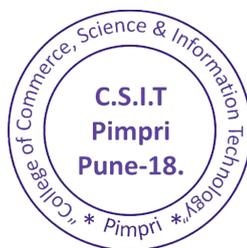

**Outcome:**

- 1 Practical exposure to logistics, AI-driven analytics, GIS, and renewable energy projects.
- 2 Students gained knowledge through interactive Q&A sessions with industry experts.
- 3 Understood the importance of sustainable practices and future opportunities in management and technology.
- 4 To strengthen the link between academic learning and practical applications.
