Detailed Report of Event “Entrepreneurship Development”

Date	: 30th November 2025
Time	: 7.00 AM – 10.00 AM
Venue	: Mutha River Stretch (Bhide Pool to Mhatre Pool), Pune
Collaboration (If any)	: Pune Municipal Corporation (PMC), Pune
Coordinator	: Asst. Prof. Chaitanya Hanote

Introduction:

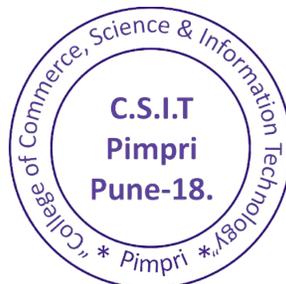

ASM’s College of Commerce, Science & Information Technology (CSIT), Pimpri, Pune actively participated in **Nadi Mahotsav 2025**, an environmental awareness and river conservation initiative organized by **Pune Municipal Corporation (PMC)** on **30th November 2025**.

Students from **all departments of the college** enthusiastically took part in this community-driven activity under the guidance of **Asst. Prof. Chaitanya Hanote**. The event focused on promoting **river cleanliness, environmental sustainability, and civic responsibility** through direct participation in a river cleaning drive.

The activity was conducted along the **Mutha River stretch from Bhide Pool to Mhatre Pool**, contributing to PMC’s mission of restoring and protecting Pune’s natural water resources.

Objectives:

- 1 To spread awareness about river pollution and the need for river conservation.
- 2 To encourage students from all departments to participate in environmental initiatives.
- 3 To promote cleanliness and responsible waste management practices.
- 4 To support PMC’s river rejuvenation and cleanliness efforts.
- 5 To inculcate social responsibility, teamwork, and leadership qualities among students.

Detailed Report:

Inaugural Briefing – 30th November 2025

The event commenced at **7:00 AM** with an introductory briefing by **PMC officials**, who explained the objectives of **Nadi Mahotsav 2025**, safety precautions, and the importance of citizen participation in river conservation.

Volunteers were provided with **gloves, masks, and waste collection bags**, and were instructed on proper waste segregation and disposal procedures.

River Cleaning Activity

Under the supervision of **Asst. Prof. Chaitanya Hanote**, **15 student volunteers from different academic streams** actively participated in cleaning the Mutha River stretch from **Bhide Pool to Mhatre Pool**.

Students collected:

- Plastic waste
- Thermocol
- Cloth pieces
- Other non-biodegradable materials

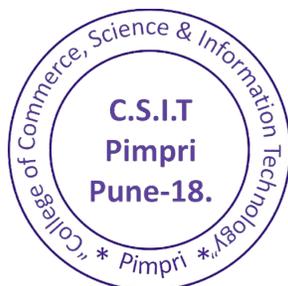

The collected waste was segregated and handed over to PMC authorities for proper disposal. Students worked in teams, displaying **discipline, cooperation, and environmental awareness** throughout the activity.

Awareness & Interaction

During the activity, PMC representatives interacted with the students and highlighted:

- The harmful effects of river pollution
- The impact of plastic waste on aquatic life
- The responsibility of citizens in maintaining clean water bodies

Students also communicated with local residents, spreading awareness about avoiding littering and protecting natural water resources

Conclusion:

The participation of ASM CSIT in **Nadi Mahotsav 2025** was a meaningful and impactful experience. The event helped strengthen environmental awareness among students and reinforced the importance of community participation in sustainability initiatives.

Outcomes:

- 1 Students gained comprehensive understanding of entrepreneurship, innovation, business models, and market research fundamentals.
- 2 Participants successfully developed structured mini business plans using tools such as BMC, SWOT, surveys, and budgeting sheets.
- 3 Students experienced real-world problem-solving, teamwork, leadership, and presentation skills through daily activities and role-plays.
- 4 Improved communication skills and confidence through elevator pitches, idea pitching, and group discussions.
- 5 Students developed the ability to identify real-life problems and propose creative, feasible solutions tailored to specific customer segments.
