Report of Event “Knimbus E-Library Workshop”

Date	: 24/09/2025
Time	: 1:00 PM
Venue	: Mini Auditorium
Collaboration (If any)	: Ms. Kanishka Jindal, Customer Success Manager Knimbus
Coordinator	: Department of Library

Introduction:

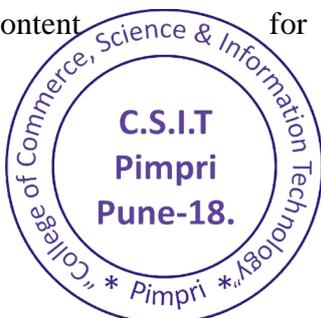

The Library Department organized a Workshop on Knimbus E-Library on 24th September 2025 at 1:00 PM in the Mini Auditorium. The program began with a warm welcome by Librarian Madam Swati More, who also presented a welcome plant to the guest speaker Ms. Kanishka Jindal, Customer Success Manager, Knimbus. Madam Swati More introduced the purpose of the workshop and highlighted the importance of using e-resources for research and academic development.

Objectives:

- 1 To introduce students to the Knimbus E-Library portal and explain its importance in academic study and research.
- 2 To demonstrate how to access and navigate the Knimbus platform step-by-step.
- 3 To help students understand how to search, read, and download e-books, journals, and research papers.
- 4 To provide tips and techniques for conducting effective research and preparing accurate references.
- 5 To encourage students and faculty members to make regular use of e-resources for enhancing their knowledge and academic performance. To support the college's goal of promoting digital literacy and integrating technology in education.

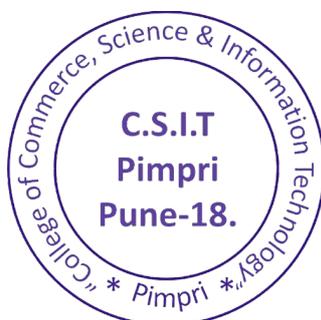

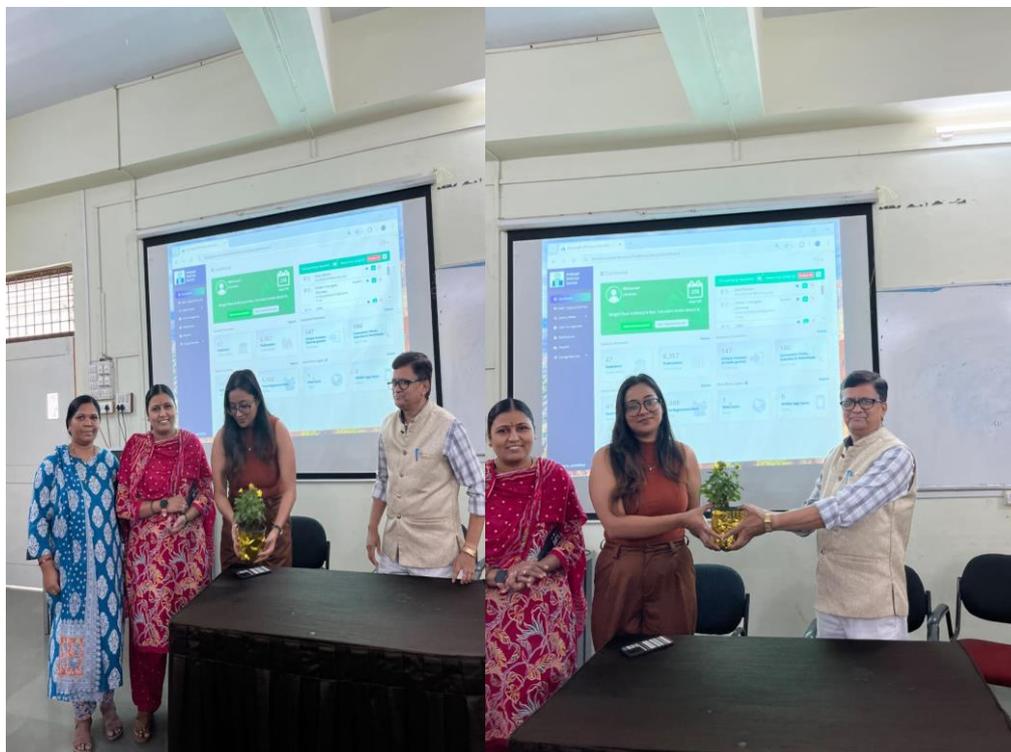

Detailed Report:

Ms. Kanishka Jindal conducted a detailed and engaging session on the Knimbus E-Library platform. She demonstrated how to log in, search for relevant materials, filter results, and download e-content for academic use.

She also explained how Knimbus supports academic research by providing access to a wide range of journals, databases, and e-books. During her presentation, Ms. Jindal shared valuable tips for effective online research, citation, and reference management, helping students understand how to make their research work more systematic and credible. The session was highly interactive — students participated enthusiastically, raised queries, and received practical solutions from the speaker. The demonstration made it easier for them to understand how to integrate digital tools into their study and research process.

Outcomes:

- 1 Students gained practical knowledge about accessing and using the Knimbus E-Library platform effectively. Participants learned the step-by-step process of searching, reading, and downloading e-books, journals, and research papers.
- 2 The workshop improved students' awareness of digital learning resources and their role in academic and research activities.
- 3 Attendees understood how to use proper referencing and citation techniques for their research and project work. The session encouraged students to develop independent research skills using online academic tools.
- 4 Faculty members also benefited by learning how to guide students in using e-resources for assignments and projects.
- 5 The workshop promoted digital literacy and self-learning habits among students. It strengthened the overall objective of the college to integrate technology in education and support digital transformation in academics.
