Report of “Industrial Visit to Barclays Bank”

Date	: 24/09/2025
Time	: 8.30 am
Venue	: Barclays Bank
Collaboration (If any)	: Elios Management Consulting
Coordinator	: ASM CSIT

Introduction:

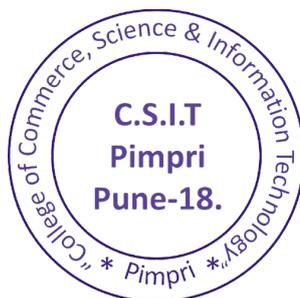

An industrial visit and corporate training session was organized by ASM's CSIT College, Pimpri, in collaboration with Elios Management Consulting and Barclays Bank, Pune. The visit aimed to provide students with practical exposure to real-world corporate environments and to enhance their employability skills through expert-led sessions. A total of 13 students from Third Year BBA and IB participated in the visit, including 6 boys and 7 girls. The students were efficiently coordinated by Ms. Bhargavi Kulkarni, with support from Elios Management Consulting. This visit provided a platform for students to bridge the gap between academic learning and industry expectations. It allowed them to interact with corporate professionals, understand workplace culture, and gain insights into essential professional skills that are crucial for career advancement.

Objectives:

- 1 To bridge the gap between academic learning and industry expectations.
- 2 To provide students with practical exposure to the corporate environment.
- 3 To develop essential soft skills required for employability and career advancement.
- 4 To help students understand the importance of goal setting and time management.
- 5 To enhance communication, teamwork, and leadership abilities through experiential learning.

Detailed Report:

The training program at Barclays Bank was designed to enhance the personal and professional competencies of the students. Expert trainers from Barclays conducted interactive workshops, focusing on practical skills and real-world applications. The sessions began with an introduction

to corporate culture, emphasizing values such as professionalism, integrity, and teamwork. Students participated in various modules during the session.

Goal Setting: Students learned the importance of defining clear, achievable goals and aligning personal objectives with career aspirations.

Trust Building: Activities demonstrated how trust forms the foundation of effective teamwork and leadership. **Time Management:** Techniques were shared to help students prioritize tasks, manage deadlines efficiently, and increase overall productivity.

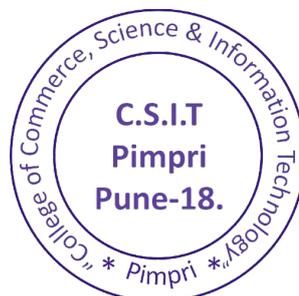

Email Etiquette: Students were guided on professional email writing, including clarity, tone, and format.

Interview Readiness: Trainers offered tips on preparing for interviews, grooming, and building confidence during interactions with potential employers.

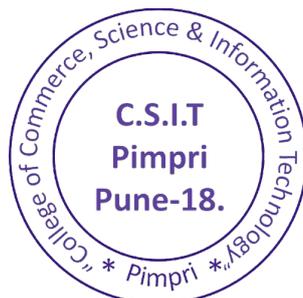

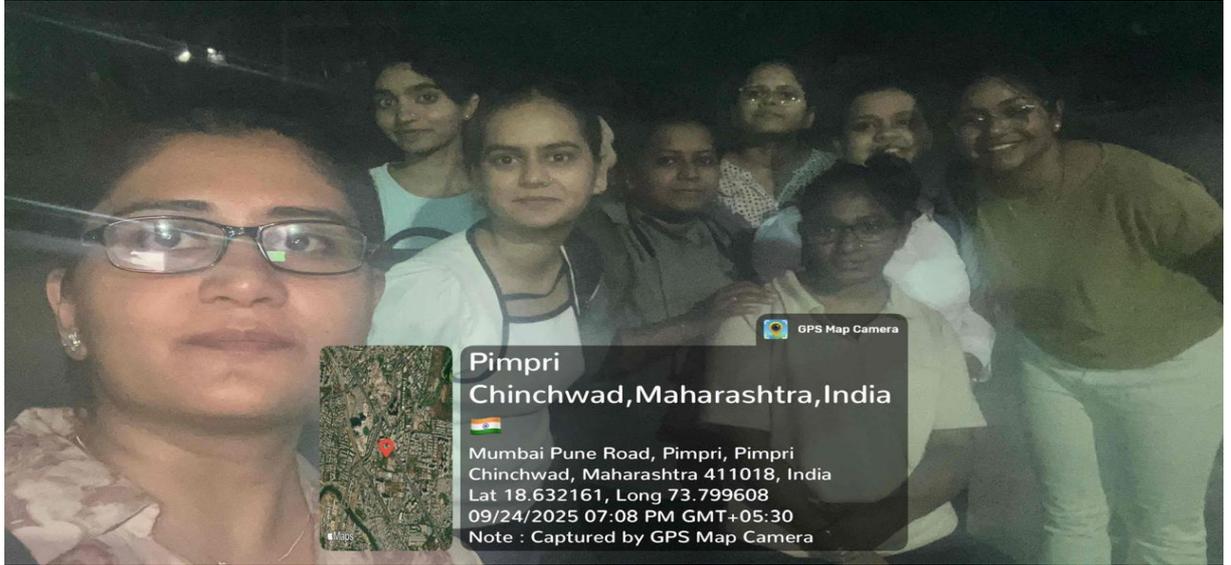

Communication and Presentation Skills: Interactive exercises helped students improve verbal and non-verbal communication, develop confidence, and deliver impactful presentations.

The sessions included role-plays, group discussions, and case studies, which encouraged active participation and practical learning. Students were able to directly apply theoretical concepts from their academic curriculum to real-world scenarios, making the learning experience highly engaging and effective. Communication for impactful presentations.

The trainers engaged students through practical exercises and discussions to make the sessions more interactive and impactful. The industrial visit and corporate training at Barclays Bank proved to be a highly enriching and educational experience for the students. It successfully met its objectives by providing exposure to corporate practices, essential soft skills, and professional development. The students left the session motivated, confident, and better prepared to face future challenges in the corporate world. The department extends gratitude to Barclays Bank for

their warm hospitality and to the college management for their continuous support in organizing industry-oriented learning activities.

Industrial Visit to Barclays Bank

Outcomes:

- 1 Students improved their communication, presentation, and interpersonal skills, enhancing their professional readiness.
- 2 Students learned to prioritize tasks and set achievable career goals.
- 3 Students developed greater confidence for future placement interviews.
- 4 The visit provided hands-on experience in a corporate environment, linking theoretical knowledge with practical applications
- 5 Interaction with industry experts inspired students to continue developing professional competencies.
