Introduction:

Audyogik Shikshan Mandal's College of Commerce, Science & Information Technology, Pimpri, organized a seminar titled “**Stray Dog Safety: Protect Yourself**” on **17th December 2025** in the Mini Auditorium. The seminar was conducted with the objective of creating awareness among students and staff about safety measures, responsible behaviour, and preventive actions while encountering stray dogs in daily life. Considering the increasing number of stray dog incidents in urban areas, the program was planned to educate the campus community on practical and preventive safety strategies.

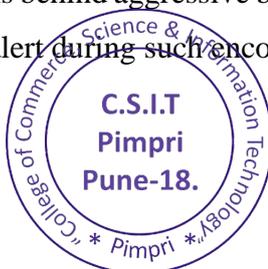

Objectives:

- 1 To create awareness among students and staff about stray dog behavior and associated safety risks.
- 2 To educate participants about preventive measures to avoid dog-related accidents.
- 3 To provide practical guidance on safe encounter techniques during stray dog interactions.
- 4 To promote responsible and calm behaviour while dealing with stray animals.
- 5 To enhance personal safety awareness within the college campus and surrounding areas.

Detailed Report:

The seminar commenced with a warm welcome to the dignitaries, faculty members, and students. The program was graced by the presence of **Principal Dr. Lalitkumar Kanore, Dr. C. D. Sonawane, Vice Principal (Science), and Asst. Prof. Sarita Goyal, Vice Principal (Commerce)**. All teaching and non-teaching staff members, along with a large number of students, actively participated in the seminar.

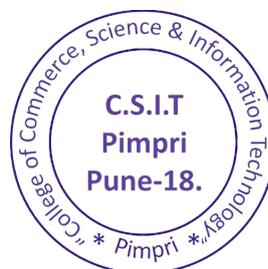

The seminar was delivered by **Shri. Krushndeo Hargude**, who shared valuable insights on understanding stray dog behavior, identifying warning signs, and adopting preventive safety measures. He explained common reasons behind aggressive behavior in stray dogs and emphasized the importance of remaining calm and alert during such encounters.

During the session, an informative video on “Stray Dog Safety: Protect Yourself” was also shown, which demonstrated real-life situations and correct response techniques. The visual presentation helped participants clearly understand do’s and don’ts while dealing with stray dogs.

Principal Dr. Lalitkumar Kanore, in his address, highlighted the importance of awareness and education in ensuring personal safety. He appreciated the initiative taken by the college to organize such a relevant and socially responsible seminar for the benefit of students and staff.

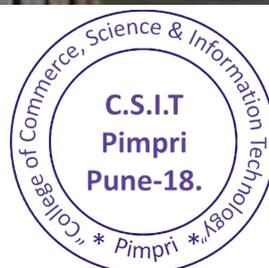

The seminar concluded with an interactive discussion, where participants clarified their doubts and shared experiences related to stray dog encounters. The program was informative, engaging, and highly beneficial for all attendees.
