### Introduction:

To inculcate the importance of trees the activity of tree plantation was organized by NSS Department along with "Green Force" on 25<sup>TH</sup> June 2025 at the premises of ASMCSIT College Pimpri As per Guide lines of SPPU on occasion of "Ek Ped Ma Ke Nam" from 10th June 2024 to 30th June 2025,. The event commenced by the hand of Dr Lalit Kanore Continued by Vice Principal Dr C.D. Sonawane ,Vice Principal Sarita Goyal, HOD Commerce Shreekant Mahajan, HOD Management Trupti Kadam along with students. It was focused on the minds of participants if more trees are planted then the world's Environment will become a safer place to live in. Tree plantation also reduces pollution and it is a sustainable practice.

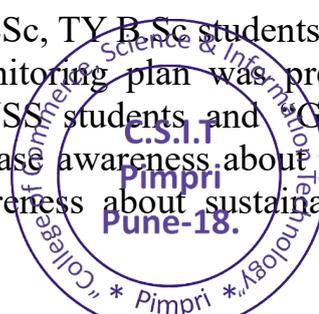

### Objectives:

- 1 To enhance local green cover and improve air Quality
- 2 To Strengthened collaboration between various departments and eco-conscious groups.
- 3 To contribute to biodiversity conservation by planting native species
- 4 To promote environmental awareness and community participation in conservation efforts
- 5 To take impactful step toward environmental sustainability.
- 6 To aware about social responsibility about climate change

### Detailed Report:

The chosen site for plantation was college premises but not very near to wall of building for safety purpose. Species for plantation includes "Magnifera Indica", "Azadirachta indica", "Ficus benghalensis". "Nyctanthes arbor-tristis". Which are suitable for local climate, soil conditions and availability of water. Saplings were collected by Asst Prof Sachin Thorat sir along with NSS Students, Tools such as spades, digging hoe and shovels used for spots making at selected points. Tree Plantation and digging pot holes was guided by volunteers of NSS, Asst Prof Rashmi Ambike and Asst Prof Priya Janjalkar. Planation done by the hand of honourable Dignitaries, also all faculty members of ASM CSIT and Administrative staff (List Attached) Especially 12th SY BSc, TY B.Sc students enthusiastically involved in this activity. Maintenance and monitoring plan was prepared for plants watering and responsibility was given to NSS students and "Green Force". Main benefits of plantation activity was to increase awareness about plants of local species and their conservation, to increase awareness about sustainable practices, global warming,
