Report of “Solid Waste Management at ASM’s CSIT Campus”

Date	: 5 th August 2025
Time	: 11:00 am
Venue	: Main Auditorium, ASM’s CSIT College Campus.Pimri.
Collaboration (If any)	: “MOTERSON” (Swarna Lata Motherson Trust CSIR,IPCA
Coordinator	: Asst.Prof. Rashmi Ambike, Asst. Prof. Chaitanya Hanote

Introduction:

ASM’s College of Commerce, Science, and Information Technology organized the inauguration of the new “Aerobin Composter” in the college campus. This event aimed to raise awareness about waste management and sustainable practices among students and staff. The initiative was supported by “Motherson” under the Swarna Lata Motherson Trust CSIR Project in collaboration with the Indian Pollution Control Association.

Objectives:

- 1 Promote awareness on proper waste management techniques.
- 2 Encourage sustainable and eco-friendly practices within the campus
- 3 Provide students with practical exposure to composting methods.
- 4 Foster a sense of responsibility towards the environment
- 5 Strengthen collaboration between academic institutions and environmental organizations

Detailed Report:

On 05/8/25 on occasion of Inauguration of “Aerobin Composter” (Swarna-Lata Motherson Trust and IPCA CSIR Activity) ASMCSIT “Green Force” has organized event. Event was graced by Chief Guest Mr. Sujit Gedam (Project Executive) Guest of owner Respected Dr. V. P. Pawar Director MCA IBMR. Respected Dr. Lalit Kanore Principal, ASMCSIT , Respected Vice Principal CSIT Dr CD Sonawane, ,Respected Vice Principal Commerce & Management Sarita Goyal Madam all students and faculties. At the starting “Street Play” was played by one of well-known artist group Ritesh and Friends who has well-presented street play which was based on waste generation issues and challenges in front of society. Street play was so impactful and entertaining that has kept good impact on student’s minds, all viewers has appreciated the performance. After that the Mr Sujit Gedam (Project Executive) has taken A technical session on Solid waste Generation, Segregation, Collection, Transport and management. In his Session he detailed on mainly the lack of awareness

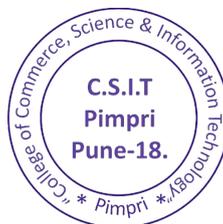

about the waste generation due to different human wants, types of wastes, Dry Waste and Wet Waste etc. continuing with the explanation about wet waste management and composting he introduced about “Aerobin Composter” one of patented waste management plant by swarnlata Motherson trust (NGO) collaborated with IPCA (Indian Pollution Control association) and having CSIR Funding. He also focused on benefits in reducing biodegradable waste and conversion of wet waste in to aerobic fertilizers by “Aerobin Composter” by using coco-pit he has also introduced about the design functioning commissioning and operation of the composter, For generation of compost by recycling wet waste generated at ASMCSIT campus he declared that this composter has been donated to ASMCSIT Pimpri of no cost (originally of Rs 25000/-) for sustainable solid waste (Wet Waste) management. Mr Sujit Gedam also promised that this composter will be maintained and commissioned by IPCA for another three months and the person appointed for installation and commissioning is Mr Datta Hendre. A consent was signed by ASMCSIT for participation in project SORT (Segregation of waste for recycling and treatment) and with respect to formulation of waste management committee for operation and maintenance and monitoring of composter. Also students committee and housekeeping staff committee has formed for further operation and maintenance of composter. Before installation few days back survey regarding no of students and classes has been carried out by IPCA so that to get an idea about total wet waste generated in campus. After the presentation of Mr Sujit Gedam inauguration and poojan of the “Aerobin composter” is done by the hand of Dr.V.P. Pawar Director MCA IBMR and Dr.Lalit Kanore Principal ASMCSIT. IPCA also gifted a eco-friendly tote bag to all the participants. The composter was successfully installed at ASMCSIT campus which effectively transforms all wet waste in to organic manure which can be subsequently be utilized to enhance the health and maintenance of trees and gardens in premises. Post-inauguration, meetings were held with faculty committee, students committee and campus maintenance staff to ensure proper use and maintenance of the composter. The NGO ensured about training of the same

Outcomes:

- 1 Students gained practical knowledge about composting and its role in waste management.
- 2 Increased awareness on reducing, reusing, and recycling waste
- 3 Strengthened the culture of environmental responsibility in the college.
- 4 Established a sustainable waste management system within the campus.
- 5 Enhanced collaboration with external environmental organizations
