## Report of “Custom Clearance Seminar”

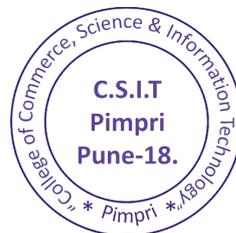

Date	: 23/07/2025
Time	: 1:00 PM to 2.00 PM
Venue	: ASM,s College of Commerce, Science & Information Technology
Collaboration (If any)	: Logi-Sys, MITCON & NSDC
Coordinator	: Department of Commerce & Management

### Introduction:

A Custom Clearance Seminar was organized at ASM's College of Commerce, Science & Information Technology in collaboration with Logi-Sys, MITCON, and the National Skill Development Corporation (NSDC). The theme of the seminar was “Your First Step in Logistics” with a focus on customs clearance, trade documentation, and digital ERP operations. The workshop aimed to provide participants with a practical understanding of the customs clearance process, which plays a vital role in international trade and logistics. It highlighted how digital platforms like ICEGATE and eSanchit are transforming the way trade documents are filed and managed. The workshop also emphasized the importance of ERP systems, trade compliance, and duty calculation schemes for aspiring professionals in logistics, supply chain management, and international business. This one-hour certified workshop was designed to bridge the gap between theoretical knowledge and industry practices by introducing students and faculty members to real-world applications in logistics. The seminar served as an excellent learning opportunity for participants to strengthen their knowledge base, enhance career readiness, and explore emerging trends in the logistics sector.

### Objectives:

- 1 To provide a basic understanding of customs clearance and its importance in international trade.
- 2 To train participants on ERP filing systems via Logi-Sys.
- 3 To familiarize learners with ICEGATE/eSanchit operations.
- 4 To develop the ability to interpret trade documents accurately.
- 5 To explain the duty calculation methods and available schemes in the export-import business.

### Detailed Report:

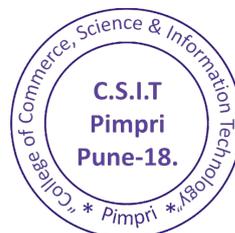

The seminar began with a warm welcome and anchoring by Ms. Sonia Roy, who introduced the theme of the event and the dignitaries present. The session was formally inaugurated with the felicitation of the guest speaker, Mr. Nikhil, by the Principal of ASM CSIT, who addressed the gathering and emphasized the importance of equipping students with practical knowledge in logistics and customs clearance.

The seminar featured expert trainers from Logi-Sys and MITCON, who shared valuable insights on digital filing systems and compliance procedures. The speakers demonstrated ERP filing through Logi-Sys software, explained the use of ICEGATE and eSanchit platforms, and trained participants in trade document interpretation. A key highlight of the session was the discussion on duty calculation methods and government incentive schemes for exporters and importers. The resource persons also emphasized how digitalization and automation are reshaping logistics, making customs clearance faster, transparent, and efficient.

The seminar was interactive, with students actively participating in discussions and case scenarios. The event concluded with a Q&A session, where participants clarified queries regarding documentation, ERP usage, and customs compliance.

**Outcome:**

- 1 Students gained a clear understanding of customs clearance procedures.
- 2 Students were introduced to Logi-Sys ERP and government digital platforms (ICEGATE/eSanchit).
- 3 Students developed skills in interpreting trade documents.
- 4 Faculty and students became more aware of career opportunities in logistics and supply chain management
