Report on Intercollegiate Event – Scifari 4.0

Date	: 23rd August 2025
Time	: 9:00 AM to 11:00 AM
Venue	: MIT Arts, Commerce & Science College, Alandi (D), Pune
Collaboration (If any)	: Department of Science & Computer Science, MIT ACSC, Alandi
Coordinator	: Prof. Mayuri Bapat (Faculty Coordinator), Dr. Sangita Biradar (HOD of Sci & CS), Dr. B. B. Waphare (Director)

Introduction:

As part of **Science Week 2025 – Scifari 4.0**, the Department of Science and Computer Science, MIT ACSC, Alandi, organized an **Intercollegiate Elocution Competition “Mic Drop”**. The competition aimed to provide a platform for students from various colleges to express their views, enhance communication skills, and build confidence in public speaking.

Objectives:

- 1 To encourage students to articulate their ideas confidently and clearly.
- 2 To provide exposure to intercollegiate competitions, fostering healthy competition.
- 3 To enhance awareness and critical thinking on contemporary issues in IT and society.
- 4 To develop communication, analytical, and leadership skills among students.
- 5 To boost confidence and stage presence of participants.

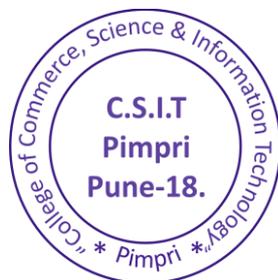

Detailed Report:

The **Mic Drop Elocution Competition** was held on **23rd August 2025**, between **9:00 AM to 11:00 AM** at **MIT ACSC Alandi**. Students were given thought-provoking topics such as:

- Impact of Artificial Intelligence on the Indian Economy
- Unemployment of Youth in the IT Sector
- Smart Garbage, Smart City
- The Role of IT in Waste Management
- Does Gender Define Ability?

Participants showcased their perspectives with confidence, logical reasoning, and impactful delivery. The event witnessed enthusiastic participation from several colleges.

From **ASM College**, **Ms. Muskan Yadav** participated in the competition and delivered an outstanding speech. She impressed the judges with her clarity, confidence, and thought process, securing the **1st Position** in the event. The program was well-organized under the guidance of **Prof. Mayuri Bapat (Faculty Coordinator)**, with the support of **Dr. Sangita Biradar (HOD of Science & Computer Science)** and **Dr. B. B. Waphare (Director)**.
