Introduction:

The Campus Connect Program is an initiative by CSIT in association with ELIOS to bridge the gap between academic learning and industry requirements. The program aims to make students "industry-ready" by aligning their skills with the expectations of the IT industry. During a campus drive, company has to conduct various stages of the selection process, which may include aptitude tests, group discussions, technical interviews, and HR interviews. This process helps employers assess the skills, knowledge, and potential of students for different job roles.

Objectives:

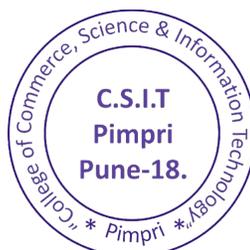

- 1 Enhance students' employability.
- 2 Understand industry standards and upgrade skills.
- 3 Develop overall personality through soft skills and leadership.
- 4 Encourage participation in research, projects, and problem-solving.

Detailed Report:

The Event commence with an opening address and introductions of the guests by Asst. Prof. Madhuri Dhavan. The career guidance training for the students for placement drive was given by Ms.Bhargavi Kulkarni (ELIOS). She guided students about various job openings and the companies which were going to conduct the placement drive. Also Gave them training about the eligibility criteria, job description, group discussion, and resume writing n personality development sessions about their career growths. After two days training session on 6th Sep Mr Santosh Swami, Placement Officer (ELIOS) taken the interview of students.

The Drive was Concluded with Selection of Some Students for the next round of the company.
