Report of Event “New Business Opportunities”

Date	: 25/10/2025
Time	: 12:00 PM to 4:00 PM
Venue	: ASM's IBMR Pune, Seminar Hall
Collaboration (If any)	: -
Coordinator	: Dr. Trupti Ghodke

Introduction:

The event "New Business Opportunities" was organized by ASM's IBMR Pune to explore emerging business trends and opportunities in the current economic landscape. Entrepreneurs, industry experts, faculty, and students gathered to discuss innovative strategies and market dynamics essential for aspiring business leaders.

Objectives:

- 1 To provide insights into new business trends and emerging markets.
- 2 To facilitate knowledge sharing between industry experts and young entrepreneurs.
- 3 To discuss innovative business models in a post-pandemic world.
- 4 To identify growth opportunities in the digital economy.
- 5 To foster networking among business professionals and students

Detailed Report:

The event commenced with a formal welcome by the coordinator, **Dr. Lalit Kanore**, who emphasized the importance of identifying and understanding new business opportunities in an ever-evolving market landscape. His address set the tone for the sessions ahead, inspiring participants to explore innovative approaches to entrepreneurship.

Session 1: Keynote Address

The keynote address, titled “*The Future of Startups in India*”, discussed how technological advancements, coupled with supportive government initiatives, are fostering a conducive environment for emerging ventures. The session highlighted the potential growth sectors, funding opportunities, and the evolving startup ecosystem in India.

Session 2: Panel Discussion

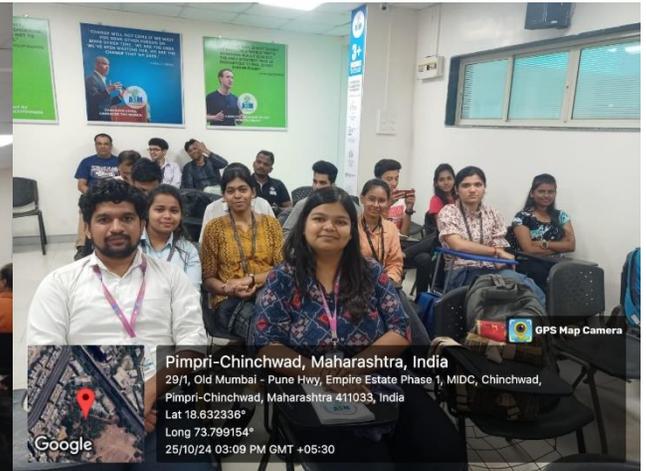

A diverse panel of industry experts shared their insights on the theme “*Adapting to Market Shifts and Business Innovation*”. The discussion covered a range of topics, including the role of digital transformation in scaling businesses, the integration of sustainable practices for long-term growth, and the use of artificial intelligence to optimize operational strategies. The exchange of ideas offered participants valuable perspectives on navigating market changes.

Session 3: Interactive Workshop

An engaging workshop on “*Building a Sustainable Business Model*” provided participants with practical, hands-on learning. Through group activities, attendees collaborated to devise viable business plans, applying the concepts and strategies discussed in earlier sessions.

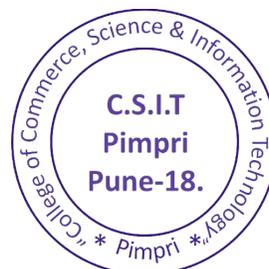

Q&A Session

The event concluded with an open Q&A session, allowing students and budding entrepreneurs to directly interact with the panelists. Participants posed questions related to business challenges, scalability, and innovation, receiving practical, experience-based advice that could be applied to real-world scenarios.

Outcomes:

- 1 Enhanced understanding of new business opportunities and growth strategies.
- 2 Participants gained practical knowledge from real-world business scenarios.
- 3 Strengthened network between industry professionals and aspiring entrepreneurs.
- 4 Increased awareness of technological advancements and their business applications.
- 5 Identified key challenges in sustaining new business ventures.
- 6 Encouraged students to develop innovative and practical business ideas
