Report of Event “Summer Camp Training”

Date	: 25/04/2025
Time	: 1:00 PM to 3:00 PM
Venue	: ASM's College of Commerce, Science & Information Technology (CSIT), Pimpri, Pune
Collaboration (If any)	: Pratham foundation and NSS unit ASM college.
Coordinator	: Mrs. Priya Janjalkar

Introduction:

Pratham Education Foundation organizing the Camp," a six-week summer program aimed at enhancing children's cognitive abilities through play-based learning. The camp focused on teaching children to play various games designed to improve their thinking skills, problem-solving abilities, and overall cognitive development. This initiative aligns with Pratham's commitment to foundational learning and the "Teaching at the Right Level" (TaRL) methodology.

Objectives:

- 1 To enhance children's critical thinking and problem-solving skills through structured games.
- 2 To foster creativity and imagination among participants.
- 3 To promote collaborative learning and teamwork.
- 4 To bridge learning gaps exacerbated by the pandemic.
- 5 To engage community volunteers in facilitating interactive learning experiences.

Detailed Report:

ASM CSIT College recently hosted a successful Summer Camp Training Program aimed at enhancing the skills and knowledge of students in various fields. The program featured Maya Ma'am from Pratham Foundation as the esteemed chief guest.

Week 1: Orientation and Baseline Assessment

The camp will commence with orientation sessions for volunteers, followed by baseline assessments to evaluate the initial cognitive and academic levels of participating children. Geo-tagged photographs will capture these activities across various centers, documenting the enthusiastic participation of students and volunteers.

Weeks 2-5: Game-Based Learning Activities

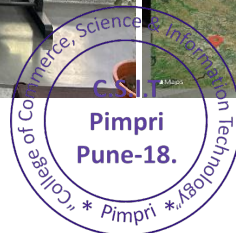

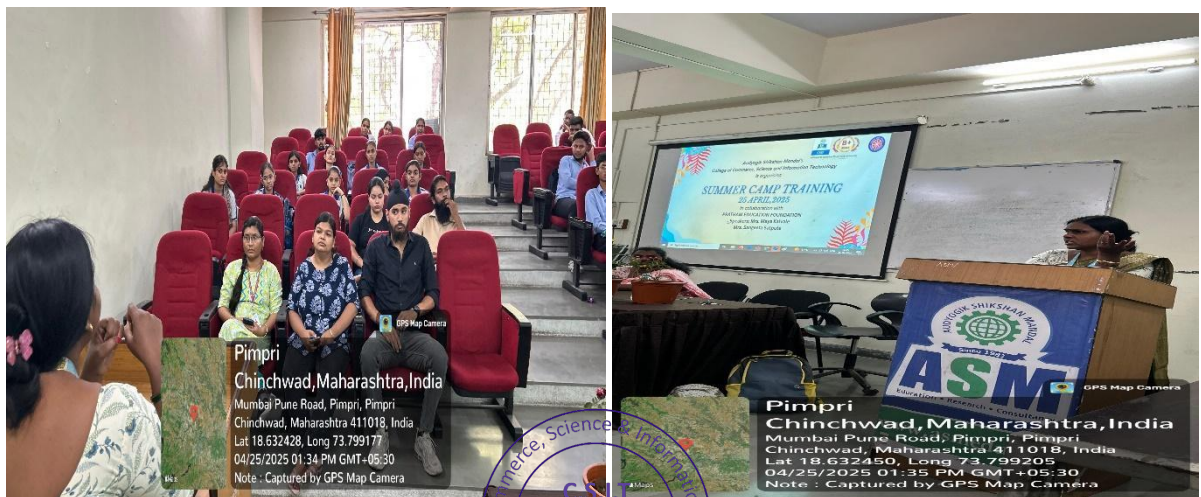

Children will engage in a variety of games designed to enhance cognitive functions:

- **Sankhya Chakra (Number Circle):** A math game using pebbles to teach place value concepts.
- **Bara-khadi:** A language game focusing on letter recognition and vocabulary building.
- **Storytelling and Role-Play:** Activities that encourage imagination and narrative skills.

Geo-tagged images will showcase children actively participating in these games, reflecting improved engagement and learning outcomes.

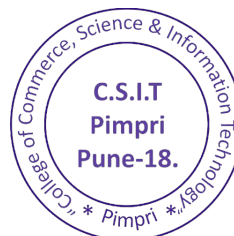

Week 6: End-line Assessment and Community Showcase

The final week will involve end-line assessments to measure learning improvements. Community events will be organized where children demonstrate their newly acquired skills through performances and exhibitions. Photographs from these events will highlight the community's involvement and the children's achievements.

Outcomes:

- 1 Enhanced cognitive skills
- 2 Improved academic performance
- 3 Increased learner engagement
- 4 Greater community involvement
- 5 Volunteer skill development
- 6 Scalable learning model
